The School District shall provide equal employment opportunities to all persons regardless of their race; color; creed; religion; national origin; sex; sexual orientation; age; ancestry; marital status; arrest record; military status; order of protection status; unfavorable military discharge; citizenship status provided the individual is authorized to work in the United States; work authorization status; use of lawful products while not at work; being a victim of domestic violence, sexual violence, gender violence, or any other crime of violence; genetic information; physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation; pregnancy, childbirth, or related medical conditions; reproductive health decisions; credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; conviction record, unless authorized by law; family responsibilities; or other legally protected categories. No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Program Act, 410 ILCS 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager under Board policy 2:260, *Uniform Grievance Procedure*, or in the case of denial of equal employment opportunities on the basis of race, color, or national origin, Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager under Board policy 2:260, *Uniform Grievance Procedure*.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX.

The Superintendent shall insert into this policy the names, office addresses, email addresses, and telephone numbers of the District's current Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers.

This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

Administrative Procedure - Workplace Accommodations for Nursing Mothers

The School District accommodates mothers who choose to continue breastfeeding after returning to work. An employee who is a nursing mother may take reasonable breaks to express breast milk or breastfeed her infant. The break time may run concurrently with any break time already provided to the employee.

Each Building Principal or chief administrator in another District building shall identify a private room or space where, if a request is made, an employee may express milk or breastfeed her infant. The private space must: (1) be in close proximity to the work area and be other than a bathroom, and (2) be free from intrusion from coworkers and the public, and (3) include an electrical outlet for the use of an electric breast pump.

Supervisors should consider ways to accommodate an employee's needs with minimal disruption of the school environment. If possible, supervisors will ensure that employees are aware of these workplace accommodations prior to maternity leave.

Workplace Harassment Prohibited

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, work authorization status, disability, pregnancy, marital status, family responsibilities, reproductive health decisions, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and 7:185, *Teen Dating Violence Prohibited*.

Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Administrative Procedure - Sample Questions and Considerations for Conducting the Internal Harassment in the Workplace Investigation

State and federal law prohibit harassment on the basis of an individual's actual or perceived race, religion, national origin, sex (including pregnancy), sexual orientation, age, citizenship status, work authorization status, disability, or other protected status, as identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. For the purpose of this procedure, *sexual harassment* includes harassment on the basis of sexual orientation, which means actual or perceived heterosexuality, homosexuality, bisexuality, or gender-related identity.

The person charged with conducting the internal harassment investigation must ascertain: (1) if the alleged conduct occurred; (2) if the conduct was unwelcome; (3) if the harassing conduct was based on any protected status of the complainant; and (4) whether the harassment created a *hostile environment* in that it had the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment. The questions that follow are designed to help the investigator uncover this evidence. *The questions below serve as a general sample; they are not all-inclusive and the exact questions must be designed for the specific allegations in each case.*

Did the alleged conduct occur?

Investigators should consider a number of factors in evaluating whether the complained of conduct occurred, such as:

1. The level of detail provided by the complainant/witness. In certain cases, a witness's ability to recall information may be impacted by past trauma. Consider the use of a *trauma-informed* approach in these circumstances.
2. The consistency within and between a witness's statement(s).
3. The consistency between the witness's statements and those of other witnesses.
4. Corroborating witnesses and other evidence.
5. Body language/eye contact of the witness. In certain cases, the manner of a complainant's body language/eye contact during an interview may be attributable to the complainant's discomfort, rather than a lack of truthfulness.
6. The existence of a pattern of similar past behavior/harassment complaints involving the alleged harasser.
7. Does the witness have reason to be untruthful, such as a personal stake in the outcome?
8. Any corroborating documentation of the alleged conduct.

Is the conduct complained of unwelcome?

Unwelcome conduct is that verbal or physical conduct which the employee did not solicit or incite and that which the employee regarded as undesirable or offensive. The Equal Employment Opportunity Commission (EEOC) evaluates the issue of whether conduct was welcome on a case-by-case basis, considering the totality of the circumstances. The wise investigator will do the same.

Below are sample questions that can be used to formulate actual questions for this part of the investigation.

1. Who is the alleged harasser? What is the alleged harasser's name? Is the alleged harasser a co-worker or a supervisor?
2. Is the conduct complained of physical, verbal, and/or committed using an electronic device, such as, through email, text message, or a social networking website? Obtain relevant details for each incident (the *Five W's*: Who, What, Where, When, and Why).
3. If physical, describe with specificity the nature of the physical conduct. Inquire into all locations on the complainant's body that were touched and ask when, how often, how the complainant was approached, who witnessed the physical conduct, and where was the complainant when the conduct took place? Did the physical conduct involve an injury to or destruction of the complainant's possession(s) and, if so, what was the property, what was the nature of the injury, when did it happen, and where is the property now?
4. If the unwelcome conduct was verbal, what was stated, when, how often, where were the parties when the statements were made, and who witnessed the statements being made?
5. If the conduct was committed using an electronic device, e.g., through email, text message, or social networking website, what was stated, where, when, how often, who saw it? Does the complainant still have access to the emails, text messages, or social networking websites for the investigator's review?
6. Did the complainant or any of the witnesses retain any evidence of the offensive conduct such as a picture, email message, text message, or video or audio recording?
7. Was a complaint or protest made to anyone employed by the District or to anyone else? If so, to whom did the complainant complain, when was the complaint made, what was stated therein, and were there any witnesses to this or these complaints?
8. What was the complainant's response to the conduct? Did the complainant tell the alleged harasser to stop? Did the complainant complain to others about the alleged harasser's behavior? Did the complainant ask co-workers, supervisors or managers to make the harassment stop? If so, obtain all relevant details (the *Five W's*).
9. Did the complainant engage in any conduct with the alleged harasser that could have encouraged the alleged harasser's behavior? If so, what was the conduct, when and where did it occur, how often and who witnessed it?
10. Did the complainant make the alleged harasser aware at the point when the conduct became unwelcome? If so, when, how was this done, what was communicated to the alleged harasser, and were there any witnesses?
11. Did the complainant complain about the harassment to the alleged harasser, to the complainant's or alleged harasser's supervisors, other managers or others? If so, when were the complaints made, what was said, who was present, and what was the response to each complaint?
12. If no prior complaints about the alleged harassment were made, why not?
13. What other actions, if any, did the complainant take to indicate to the alleged harasser that the alleged harasser's conduct was unwelcome?
14. If they lack knowledge about the harassment, did co-workers, supervisors or managers notice any changes in complainant's behavior at work or in the alleged harasser's treatment of the complainant?

15. Has the alleged harasser been accused of harassment by other employees? If so, when, and were the allegations investigated? If so, what was the result of the investigation, and what was management's response, i.e., what remedy was imposed?

Did the work environment become hostile?

To ascertain whether unwelcome conduct creates an unlawful *hostile environment*, the major inquiry is whether the conduct had the purpose or effect of unreasonably interfering with an individual's performance or creates an intimidating, hostile, or offensive working environment. In the sexual harassment context, trivial or annoying conduct such as sexual flirtation or innuendo or vulgar language would probably not establish a hostile environment, but in certain circumstances the conduct when viewed in the aggregate can establish a hostile environment. The challenged conduct must substantially affect the work environment of a reasonable person for a violation to be found.

Consider the following additional questions for this part of the inquiry:

1. What effect, if any, did the alleged harassment have upon the complainant's ability to perform the complainant's job?
2. What effect, if any, did the alleged harassment have upon the complainant's mental or physical health or well-being? Was medical treatment/therapy sought?
3. Even if the alleged harassment had little, or no effect on the complainant's work performance or well-being, is there evidence, e.g., verbal or written comments, that the alleged harasser intended the conduct to have that effect?
4. **Additional question for sexual harassment complaints:** What was the sexual character of the work environment before the complainant entered the environment? Were sexual comments and actions common? If so, what types, when did they occur? Who was involved? Supervisors? Co-workers?
5. Did the character of the workplace change after complainant joined the workplace? If so, how? What was complainant's behavior? How did the alleged harasser and other co-workers or supervisors respond to complainant's behavior?
6. Was the complaint of verbal or physical behavior directed at persons other than complainant? If so, who were they? What conduct was directed towards them, when, how frequently, who was present, where did it occur and who witnessed it? How did these persons react to the physical or verbal conduct?
7. Did the alleged harasser single out the complainant? If so, how, when, where, and why?
8. Did others join in perpetrating the harassment? If so, who? What was done; when, where, who witnessed the conduct, and were others harassed too?
9. If the complained of conduct was verbal, what were the remarks? Were they hostile and derogatory? What was the frequency and context of the comments? Were the parties inside or outside of the workplace when the comments were made?
10. Was the alleged harassment observed by supervisors, managers, or other co-workers? If so, by whom, when, where, and what was observed?
11. Was the alleged harassment observed by former employees or others outside the workplace? If so, by whom, when, where, and what was seen?

Was the harassment committed by a supervisor?

The employer will be held responsible for acts of harassment committed by the employee's supervisor, meaning someone who was authorized by the employer to have authority over the

complainant's terms and conditions of employment. To investigate harassment committed by the complainant's supervisor, include questions such as the following:

1. What conduct is the supervisor accused of? When, where, how often did it occur, and who observed?
2. Was the supervisor authorized to grant or deny tangible job benefits to the complainant? If so, what was the scope of that authority and what documents evidence it? If not, were the supervisor's recommendations concerning the complainant's terms and conditions of employment typically or routinely followed?

Was the harassment *quid pro quo* (do this for that)?

An employer will be held responsible for acts of *quid pro quo* sexual harassment, meaning that tangible job benefits were either (1) conditioned on submitting to sexual favors, or (2) denied because of the complainant's rejection of a sexual advance or request for sexual favors. *Quid pro quo*-type harassment can also occur in other contexts, such as religious discrimination, for example, if a person is required to abandon or alter his or her religious practice as a condition of employment.

1. How was the complainant's employment affected by the alleged harassment? Was the complainant denied a salary increase, a promotion, a job transfer, etc.? If so, when?
 2. Was the complainant treated differently from similarly situated employees in regard to the denied salary increase, promotion, job transfer, etc.? If so, who was treated differently by this same supervisor?
 3. What other management employees were involved in decisions to grant or deny the tangible job benefit(s) to the complainant? Did they have knowledge of the sexual conduct?

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with School Board policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.

2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Administrative Procedure - Interview Questions

Anti-discrimination laws affect all steps of the employee hiring process. Knowledge of the characteristics on which these laws prohibit inquiry is especially critical when conducting interviews. Any employer that asks applicants to record video interviews and uses an artificial intelligence analysis of the applicant-submitted videos must comply with the Artificial Intelligence Video Interview Act, 820 ILCS 42/, added by P.A. 101-260. Sloppy interview practices can result in the appearance of illegal discrimination or actual discrimination.

Interviewers should avoid seeking information that will not be used to make an employment decision. Assume that a rejected applicant may believe that all information acquired was used. The District, if challenged, must explain why it asked for the information – a very difficult task when the information involves race, sex, religion, age, disability, etc. Information needed for insurance, tax, social security, or similar purposes should be obtained after employment. The following list of protected characteristics may not be complete because of the rapidly changing nature of discrimination laws.

Protected Status	Do not ask	Permissible to ask
Race and color	What race are your parents?	
Alienage, ancestry, national origin, nationality, and citizenship status (provided the individual is authorized to work in the U.S.), work authorization status	In what country were you born? In what country were your parents born? Are you a naturalized citizen? Do you have proof that you are authorized to work in the U.S.?	Are you legally authorized to work in the United States? What languages do you read, speak, or write fluently?

Gender, including parent and pregnancy status	What are your future family plans? Are you pregnant? Do you have children? What are their ages? Do you have child care?	Is there anything that would interfere with regular work attendance? Are you available to work overtime?

Arrest record Conviction that is not on the School Code's list of disqualifying convictions The Job Opportunities for Qualified Applicants Act, 820 ILCS 75/, prohibits an employer from asking about a criminal record until the employer determines that the applicant is qualified for the position; however, this does not apply when employers are required to exclude applicants with certain criminal convictions from employment. Thus, school employers should limit their requests for criminal convictions to job-disqualifying convictions.	Have you ever been arrested? Spent time in jail?	Have you ever been convicted of attempting to commit, conspiring to commit, soliciting, or committing any crime in the following list? (1) any sex offense or drug offense, as defined in Sec. 21B-80(a) of the School Code, (2) first degree murder or a Class X felony, or (3) any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as one or more of the foregoing offenses. 105 ILCS 5/21B-80, amended by P.A.s 101-531 and 102-552. Consult with the Board attorney if the District wants to ask candidates about disqualifying convictions before the job offer stage, due to Ill. Dept. of Human Rights guidance on 775 ILCS 5/2-103.1, added by P.A. 101-656, at: www2.illinois.gov/dhr/Pages/Conviction_Record_Protection_Frequently_Asked_Questions.aspx .

Unless specifically permitted, do not ask: Do you have a good credit score? Have you been denied a credit card within last 5 years? Have you ever filed bankruptcy?	How long have you lived at your current address?

Administrative Procedure - Investigations

Immigration Investigation

All newly hired employees must complete section one of the U.S. Citizenship and Immigration Services Form I-9 (Form I-9) no later than three business days following their first working day (Immigration Reform and Control Act, 8 U.S.C. §1324a, 8 C.F.R. §274a.2). See: www.uscis.gov/i-9. If an individual is unable to provide the required documents to complete it, the individual may present a receipt for the application of the required documents within three days of the hire. The individual must then present the required documents within 90 days of the hire. The Superintendent or designee completes section two of the Form I-9 and confirms the employee's information.

If the Employment Eligibility Verification System (E-Verify) is used to complete Form I-9, the Superintendent or designee will review the Ill. Dept. of Labor's website and its E-Verify factsheet, available at: <https://labor.illinois.gov/content/dam/soi/en/web/idol/laws-rules/legal/documents/e-verification-facts-poster.pdf>. If the District contends that there is a discrepancy in an employee's employment verification information, follow the procedures required by the Privacy in the Workplace Act, 820 ILCS 55/12, amended by P.A. 103-879, and 820 ILCS 55/13, added by P.A. 103-879, eff. 1-1-25.

The completed Form I-9 shall be maintained in a file separate from other personnel records in order to prevent unauthorized review of personnel files. The Form I-9 shall be retained for a period of three years after the date of hire or one year after individual employment is terminated, whichever is later.

Fingerprint-based Criminal History Records Information Check (105 ILCS 5/10-21.9, amended by P.A. 102-702)

A fingerprint-based criminal history records information check must be initiated prior to employment, but the District may permit the individual to be hired and begin employment pending its outcome. See *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, at: www.isbe.net/Documents/guidance_chr.pdf. See administrative procedure 5:30-AP4, *Fingerprint-Based Criminal History Record Information*, for procedures regarding the handling of sensitive CHRI provided through the Federal Bureau of Investigation's national databases.

A complete criminal history records check pursuant to 105 ILCS 5/10-21.9 consists of:

1. Fingerprint-based checks through (a) the Ill. State Police (ISP) for criminal history records information (CHRI) pursuant to the Ill. Uniform Conviction Information Act (20 ILCS 2635/), and (b) the Federal Bureau of Investigation (FBI) national crime information databases pursuant to the Adam Walsh Child Protection and Safety Act (Pub. L. 109-248),
2. *A check of the Ill. Sex Offender Registry (see the Sex Offender Community Notification Law, 730 ILCS 152/ *et seq.*), and
3. *A check of the Murderer and Violent Offender Against Youth Registry (see the Murderer and Violent Offender Against Youth Registration Act, 730 ILCS 154/75 - 154/105).

*These checks must be conducted by the District or the Regional Superintendent once every five years that an individual remains employed by the District. 105 ILCS 5/10-21.9(a-5), (a-6), amended by P.A. 102-552.

See also Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*, and administrative procedure 4:175-AP1, *Criminal Offender Notification Laws; Screening*. **Important:** 20 ILCS 2630/5.2 outlines how an individual may petition to have an arrest record expunged by the

arresting authority and the records of the arrest sealed by the circuit court clerk. It also details offenses for which an individual cannot have his or her conviction sealed.

Note: The following criminal history records check guides are also available:

1. Guide to Understanding Criminal History Record Check Information is available at: <https://dph.illinois.gov/content/dam/soi/en/web/idph/files/forms/background-check-guide-071817.pdf>.
2. Ill. State Board of Education non-regulatory guidance document, Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel, at: www.isbe.net/Documents/guidance_chr.pdf.

The following individuals are responsible for the actions listed:

Applicant - Each applicant for employment in any position (except bus drivers employed by a private student transportation contractor) must provide a written authorization for a complete criminal history records check at the time he or she submits the application.

Individual Student Teaching or beginning a required internship - Each individual student teaching or beginning a required internship must provide written authorization for, and pay the costs of, his or her criminal history records check (including any applicable vendor's fees) prior to participating in any field experiences in the District. See 105 ILCS 5/10-21.9(g).

Applicant for Bus Driver - Each applicant for a bus driver position must complete the application required by the Secretary of State for a school bus driver permit (obtained from the District) and submit it to the District along with the necessary fingerprint submission as required by the ISP to conduct a fingerprint-based criminal history records check. The Superintendent or designee will conduct a pre-employment interview with prospective school bus driver candidates, distribute school bus driver applications and medical forms, and submit the applicant's fingerprint cards to the ISP. The Superintendent or designee will certify in writing to the Secretary of State that all pre-employment conditions have been successfully completed, including the successful completion of a criminal history records check as required by State law. The applicant must present the certification to the Secretary of State at the time of submitting the school bus driver permit application. See 625 ILCS 5/6-106.1, amended by P.A.s 102-168 and 102-299; 92 Ill.Admin.Code §1035.25.

Superintendent or designee - *Note: Add any additional steps to efficiently receive a complete criminal history records check.*

1. Fingerprint-Based Criminal History Records Check:
 - a. For all applicants, the Superintendent or designee completes the required forms to request the criminal history records checks from an appropriate ISP or LiveScan vendor. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the School Board President shall ensure that these checks are completed. This may include submitting the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers to the ISP and FBI on the forms prescribed by each agency.
 - b. The Superintendent or designee, or when the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President, will provide the applicant with a copy of the ISP and FBI reports. Required by 105 ILCS 5/10-21.9(b) and 20 ILCS 2635/7. The applicant has the obligation and responsibility to notify the District within seven (7) working days if information in the report furnished by the ISP is inaccurate or incomplete. *Id.*
 - c. The Superintendent or designee, or the Regional Superintendent, notifies the State Superintendent of Education in writing within 15 business days when a CHRI returns a *conviction* of a crime set forth in 105 ILCS 5/21B-80. 105 ILCS 5/21.9(e), and:

- i. Makes a preliminary determination that the applicant will be disqualified based on a conviction record when: (1) the District is prohibited by 105 ILCS 5/10-21.9 from employing the individual because the conviction is an offense listed in 105 ILCS 5/21B-80, amended by P.A. 102-552; (2) there is a *substantial relationship* between one or more of the previous criminal offenses and the employment sought or held; or (3) the employment would involve an *unreasonable risk* to property or to the safety or welfare of specific individuals or the general public.

Conviction record means information indicating that a person has been convicted of a felony, misdemeanor or other criminal offense, placed on probation, fined, imprisoned, or paroled pursuant to any law enforcement or military authority. 775 ILCS 5/1-103(G-5). It includes the results of a *complete criminal history records check* conducted pursuant to 105 ILCS 5/10-21.9.

Substantial relationship means a consideration of whether a job position offers the opportunity for the same or a similar offense to occur and whether the circumstances leading to the conduct for which the person was convicted will recur in the position. 775 ILCS 5/2-103.1(A).

To determine whether an applicant is disqualified based on a *substantial relationship* or *unreasonable risk*, considers the following factors: (1) length of time since the conviction; (2) number of convictions that appear on the conviction record; (3) nature and severity of the conviction and its relationship to the safety and security of others; (4) the facts or circumstances surrounding the conviction; (5) the age of the employee at the time of the conviction; and (6) evidence of rehabilitation efforts. 775 ILCS 5/2-103.1(B). See also Ill. Dept. of Human Rights (IDHR) *Conviction Record Protection – Frequently Asked Questions* (March 2021), at: <https://dhr.illinois.gov/conviction-record-protection-frequently-asked-questions.html>.

- ii. When the applicant's conviction record disqualifies him/her/them, notifies the applicant of the preliminary decision in writing. The written notice shall contain: (1) the disqualifying convictions that are the basis for the preliminary decision and the District's reasoning for the disqualification; (2) a copy of the *complete criminal history records check* conducted pursuant to 105 ILCS 5/10-21.9; and (3) an explanation of the applicant's right to submit evidence challenging the accuracy of the conviction record that is the basis for the disqualification within seven (7) working days of the applicant's receipt of the copy of the conviction record if the applicant wishes to dispute the accuracy of the conviction record and/or submit evidence in mitigation, such as rehabilitation. 775 ILCS 5/2-103.1(C)(1) and (2). See exhibit 5:30-AP2, E1, *Notice of Preliminary Hiring Decision Based on Conviction Record*, for a sample letter template.

Note: Evidence of rehabilitation may include education, training, stable employment, family and community involvement, and recovery from substance abuse. For more information, see *EEOC Enforcement Guidance on the Consideration of Arrest and Conviction Records in Employment Decision under Title VII of the Civil Rights Act*, at:

- iii. When the final decision disqualifies the applicant based on the conviction record, provides a second written notice to the applicant that contains: (1) notice of the disqualifying conviction(s) that are the basis for the final decision and the District's reasoning for the disqualification; (2) any existing procedure the employer has for the applicant to challenge the decision or request reconsideration (this is not required); and (3) the right to file a charge with the IDHR. 775 ILCS 5/2-103.1(C)(3). See exhibit 5:30-AP2, E2, *Notice of Final Hiring Decision Based on Conviction Record*, for a sample letter template.
- d. The Superintendent or designee, or the Regional Superintendent, or as applicable the entity that provides background checks for public schools, notifies the State Superintendent of education in writing within 10 business days after receiving information of a *pending* criminal charge for an offense set forth in 105 ILCS 5/21B-80. Required by 105 ILCS 5/10-21.9(e).

Note: For substitute teachers, the Superintendent will need to ensure that the District performs these checks. Contact the Board Attorney and/or ISBE regarding the validity of a *certificate of authorization*, if a substitute teacher presents one. From 1-1-11 through 7-1-11, the Regional Superintendent or Suburban Cook County Intermediate Service Center Executive Director, whichever was appropriate, was allowed to issue *certificates of authorization* to substitute teachers. Issuance of a *certificate of authorization* was proof that the substitute teacher applicant had met all of the requirements to substitute teach in the educational service region; i.e., a fingerprint-based criminal history records check, a physical examination, and a negative tuberculin test. Because P.A. 97-607 deleted *certificates of authorization*, substitute teachers no longer receive them because they no longer exist.
- e. For individuals student teaching or beginning a required internship, the Superintendent or designee ensures that the individual completes the required forms, authorizations, and provides payment to the District for the costs of completing a complete criminal history records check prior to student teaching or beginning a required internship (105 ILCS 5/10-21.9(g) and Board policy 5:260, *Student Teachers*). For more information, see also ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, available at: www.isbe.net/Documents/guidance_chr.pdf.
2. Screen of the Statewide offender databases upon hire and every five years thereafter that an individual remains employed by the District. 105 ILCS 5/10-21.9(a-5), (a-6), amended by P.A. 102-552. The Superintendent or designee, or when the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President, performs a screen for each applicant of:
 - a. The Statewide Sex Offender Registry, <https://isp.illinois.gov/Sor/Disclaimer>, as authorized by the Sex Offender Community Notification Law (730 ILCS 152/ *et seq.*), and
 - b. The Statewide Murderer and Violent Offender Against Youth Registry <https://isp.illinois.gov/MVOAY/Disclaimer>, as authorized by the Murderer and Violent Offender Against Youth Registration Act (730 ILCS 154/75-154/105).

The Superintendent or designee, or when the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President, notifies the individual if he or she is identified in the database as a sex offender. Required by 105 ILCS 5/10-21.9(a-5), (a-6), and (b). The Superintendent or designee, or the Regional Superintendent, notifies the State Superintendent of

Education in writing within 15 business days, when a database screen finds a *registration* for an individual licensed by ISBE. 105 ILCS 5/21.9(e).

ISP and FBI - The ISP and FBI furnish records of convictions (until expunged), pursuant to the District's request, to the Board President. **Note:** The ISP and FBI must "furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board...". See 105 ILCS 5/10-21.9(a) and (g). 20 ILCS 2630/3.3 establishes authority for the ISP to collect fees from the District if the Board wishes to participate in a Federal *Rap Back Service*. Rap Back Service is a capability of the FBI's Next Generation Identification (NGI) system that provides authorized agencies notification of criminal activity and, in limited cases, of civil activity, that occurs after the initial processing and retention of criminal or civil transactions, e.g., an initial fingerprint-based criminal history records check. The Board may determine that it wants to participate. Participation includes ISP submitting fingerprints that the District orders to the FBI Rap Back Service to be retained for the purpose of being searched by future submissions to the FBI Rap Back Service. For a student teacher, the report shall be returned to the Superintendent or designee (see ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, at: www.isbe.net/Documents/guidance_chr.pdf).

Board President - The School Code requires the Board President to keep a conviction record confidential. The information may only be shared between the Board President, the Superintendent or designee, Regional Superintendent (if the check was requested by the District), State Superintendent of Education, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the ISP and/or Statewide Sex Offender Registry for clarification purposes, or the Teachers' Retirement System of the State of Illinois (TRS) when the board learns that a teacher has been convicted of a felony. See 105 ILCS 5/10-21.9(b), 105 ILCS 5/21B-10, and 105 ILCS 5/21B-85, amended by P.A. 102-552. For further discussion about the practical implementation issues for the Board President to ensure that a fingerprint-based criminal history records information check and other database screens are initiated and completed prior to employment, see f/n 11 in Board policy 5:30, *Hiring Process and Criteria*.

Regional Superintendent/Suburban Cook County Intermediate Service Center Executive Director - The Superintendent or designee may require the applicant to authorize the Regional Superintendent or Suburban Cook County Intermediate Service Center Executive Director, whichever is appropriate, to conduct the check when an applicant is (1) seeking employment in more than one District simultaneously as (a) a substitute teacher, (b) a concurrent part-time employee, and/or (c) educational support personnel, or (2) the employee works for a contractor holding contracts with more than one district. The Regional Superintendent or Suburban Cook County Intermediate Service Center Executive Director, whichever is appropriate, also performs a check of the Statewide Sex Offender Registry, <https://isp.illinois.gov/Sor/Disclaimer>, as authorized by the Sex Offender Community Notification Law (730 ILCS 152/115), and the Violent Offender Against Youth Registry, <https://isp.illinois.gov/MVOAY/Disclaimer>, as authorized by the Murderer and Violent Offender Against Youth Registration Act (730 ILCS 154/75-154/105). See 105 ILCS 5/10-21.9 (a-5), (a-6), and (b), amended by P.A. 102-552.

Contractors - The above requirements for a *complete criminal history records check* apply to all employees and agents of contractors who have direct, daily contact with students. 105 ILCS 5/10-21.9(f). Every contractor with the District shall: (1) make every employee or agent who will have direct, daily contact with students submit to a complete criminal history records check, (2) confirm that it will make those employees available to the District for the criminal history records check, and (3) submit payment for the costs of the check(s) to the District.

Note: The provisions in 105 ILCS 5/10-21.9(f) and (g) apply to employees of contractors who have "direct, daily contact" with students. To be comprehensive and to eliminate uncertainty, this procedure and Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*, may require a

criminal history records check on *all* employees of contractors who may work in any school building or on school property. Whether the District uses the comprehensive language or the direct language from the School Code, the District, not the contractor, must perform the background checks. Contractors are not authorized under any State or federal law to: (1) conduct the required criminal history background checks; or (2) see the employee's criminal history furnished by the ISP and the FBI. All contracts should also require the contractor to purchase insurance to cover misconduct by their employees and/or an indemnification clause. Additionally, the Superintendent or designee should check insurance coverage to determine whether employees of contractors are covered. See also Board policy 4:175, *Convicted Child Sex Offender; Screening; Notifications*, and administrative procedure 4:60-AP3, *Criminal History Records Check of Contractor Employees*, for the responsibilities of contractors. Last, if the District has received, within the last year, information that concerns the record of conviction and identification as a sex offender of any contractors' employees, the District must provide the information to another school or school district that requests it. 105 ILCS 5/10-21.9(f-5). For more information, see ISBE's non-regulatory guidance document, *Criminal History Records Information (CHRI) Checks for Certified and Non-certified School Personnel*, available at: www.isbe.net/Documents/guidance_chr.pdf. Unless notified by the individual named in a criminal history records information (CHRI) request or by the ISP that the information furnished in a CHRI report is inaccurate or incomplete, the District cannot be liable for damages to any person to whom the CHRI pertains for actions it reasonably took in reliance on the accuracy and completeness of CHRI report. 20 ILCS 2635/7(A)(3).

District - The District complies with 105 ILCS 5/10-21.9, amended by P.A.s 102-552 and 102-702, and 5/21B-80, amended by P.A. 102-552. It will not knowingly employ a person, or allow a person to work or student teach/complete a required internship (105 ILCS 5/10-21.9(g)) on school grounds, who:

1. Has been convicted of any one or more of the following offenses, until seven years following the end of the sentence for the criminal offense:

Reporting New Hires

The Superintendent or designee shall timely file an IRS Form W-4 or IDES *New Hire Reporting Form* for each newly hired employee with the Ill. Dept. of Employment Security. See 820 ILCS 405/1801.1. Administrative Procedure - Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, a sexual misconduct related employment history review (EHR) must be initiated, but the District may permit the individual to be hired and begin employment pending its outcome. This applies to all permanent and temporary employment positions within a school, including substitute employees and employees of contractors. An EHR is not required for volunteers.

Glossary of Terms

Contractor - A firm holding a contract with any school including, but not limited to, food service workers, school bus drivers, and other transportation employees who have direct contact with children or students. 105 ILCS 5/22-94(b), added by P.A. 102-702, eff. 7-1-23.

Direct contact with children or students - The possibility of care, supervision, guidance, or control of children or students or routine interaction with children or students. 105 ILCS 5/22-94(b), added by P.A. 102-702, eff. 7-1-23.

Initiate an EHR - The District initiates an EHR when it submits an *Authorization for Release of Sexual Misconduct-Related Information and Current/Former Employer Response* form(s) to every current and previous employer identified by the applicant on said form(s).

School - A public or nonpublic elementary or secondary school. 105 ILCS 5/22-94(b), added by P.A. 102-702, eff. 7-1-23.

Sexual misconduct - Any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include but are not limited to: 1) a sexual or romantic invitation, 2) dating or soliciting a date, 3) engaging in sexualized or romantic dialog, 4) making sexually suggestive comments that are directed toward or with a student, 5) self-disclosure or physical exposure of a sexual, romantic, or erotic nature, 6) a sexual, indecent, romantic, or erotic contact with the student. 105 ILCS 5/22-94(b), added by P.A. 102-702, eff. 7-1-23; 105 ILCS 5/22-85.5(c), added by P.A. 102-676.

Substitute Employees

For substitute employees, the EHR is required only prior to the initial hiring of a substitute employee or placement on a school's or district's approved substitute list. A substitute employee seeking to be added to another school's or district's substitute list must undergo another EHR. An EHR conducted upon initial hiring by a contractor or any other entity that furnishes substitute staffing services, e.g., a regional office of education, satisfies the EHR requirement for all schools using that contractor's/entity's services. 105 ILCS 5/22-94(i), added by P.A. 102-702, eff. 7-1-23.

Employees of Contractors

For employees of contractors, the EHR is performed either at the time of initial hiring or prior to the employee's assignment to perform work for a school involving direct contact with children or students. 105 ILCS 5/22-94(j)(1), added by P.A. 102-702, eff. 7-1-23. Contractors must maintain records documenting EHRs for all such employees and, upon the District's request, provide the District with access to the records. 105 ILCS 5/22-94(j)(2), added by P.A. 102-702, eff. 7-1-23. See Board policy 4:60, *Purchases and Contracts*, administrative procedure 4:60-API, *Purchases*, and administrative procedure 4:60-AP4, *Sexual Misconduct Related Employment History Review (EHR)*

of Contractor Employees, for employment history review requirements for employees of contractors who have direct contact with children or students.

Exhibit - EHR Letter to Applicant's Current/Formal Employer

Use this letter when the District contacts an applicant's current or former employer to complete a sexual misconduct related employment history review. 105 ILCS 5/22-94.

On District Letterhead

Re: Applicant's Sexual Misconduct Related Employment History Review

Attention [*insert name of applicant's current/former employer*]:

You are receiving this letter pursuant to the Illinois School Code (105 ILCS 5/22-94) because your organization has been listed by the applicant as a current employer, a former employer that was a school or school contractor, or a former employer at which the applicant had direct contact with children or students, meaning the possibility of care, supervision, guidance, or control of children or students or routine interaction with children or students.

To help protect children and students from the threat of sexual misconduct, Illinois law requires all Illinois public/non-public elementary and secondary schools to conduct sexual misconduct related employment history reviews on certain applicants for hire. Therefore, we are required to ask, and you are required to complete, the enclosed standardized form, which was developed using a template created by the Ill. State Board of Education (ISBE). Illinois law further requires you to disclose the information requested on the enclosed form within twenty (20) calendar days of your receipt of the form. If you have an office of human resources or central office, such information must be provided by that office. Additionally, if you answer yes to any question, you must provide further information about the matter disclosed as well as all related records. Information received shall not be deemed a public record.

We will use the information we receive from you to evaluate the applicant's fitness to be hired or for continued employment. We may also report the information, as appropriate, to ISBE, a State licensing agency, a law enforcement agency, a child protective services agency, another school or contractor, or a prospective employer.

Under Illinois law, an employer, school, school administrator, or contractor who provides information or records about a current or former employee or applicant pursuant to this request is immune from criminal and civil liability for the disclosure of the information or records, unless the information or records provided were knowingly false. This immunity is in addition to, and not a limitation on, any other immunity provided by law or any absolute or conditional privileges applicable to the disclosure by virtue of the circumstances of the applicant's consent to the disclosure. Additionally, this immunity extends to any circumstances when the employer, school, school administrator, or contractor in good faith shares findings of sexual misconduct with another employer.

Unless the laws of another state prevent the release of the information or records requested, or disclosure is restricted by the terms of a contract entered into before July 1, 2023, and notwithstanding any other provisions of law to the contrary, an employer, school, school administrator, contractor, or applicant must report and disclose all relevant information, records, and documentation that may otherwise be confidential.

Please return a copy of your response by email to: [*insert email address*], or by US mail to:

Thank you for your cooperation,

Administrative Procedure - Fingerprint-Based Criminal History Record Information Security

The District is required by State law to conduct fingerprint-based criminal history record checks on applicants for employment. See administrative procedure 5:30-AP2, *Investigations*, for the procedures to be followed in carrying out such checks. This procedure outlines the District's responsibility to safeguard applicants' criminal justice information (CJI), including Criminal History Records Information (CHRI), received from the Federal Bureau of Investigation (FBI), whether the information is received directly from the FBI or through the Ill. State Police (ISP) or a live scan vendor pursuant to an existing Outsourcing Management Control Agreement. This procedure is based on the *FBI Criminal Justice Information Services (CJIS) Security Policy* (CJIS Security Policy) available at: <https://le.fbi.gov/cjis-division/cjis-security-policy-resource-center> (see Appendix J, Noncriminal Justice Agency Supplemental Guidance) and ISP's generic template titled *Criminal History Record Information Proper Access, Use, and Dissemination Procedures*. The FBI's CJIS Security Policy provides a minimum set of security requirements for access to FBI CJIS Division systems and information and to protect and safeguard CJI.

Glossary of Terms

These definitions are based on those provided in the FBI CJIS Security Policy.

Criminal Justice Information (CJI) — All data provided through the FBI CJIS, including, but not limited to, biometric, identity history, person, organization, property (when accompanied by any personally identifiable information), and case/incident history data.

Criminal History Records Information (CHRI) — A subset of CJI that includes identifiable descriptions of arrests, detentions, indictments, information, or other formal criminal charges, and any disposition arising therefrom, including acquittal, sentencing, correctional supervision, and release. For purposes of this procedure, CHRI is interchangeable with CJI.

Authorized Personnel — District employee(s) who have been appropriately vetted through a national fingerprint-based record check and have been granted access to CJI. For purposes of this procedure, Authorized Personnel includes the Superintendent, Human Resources Administrator, Head of Information Technology, and their respective designees.

Electronic Media — Any form of electronic storage media such as a memory device in a laptop or computer (hard drive) or mobile device; and any removable, transportable electronic media, such as magnetic tape or disk, optical disk, flash drive, external hard drive, or digital memory card.

Physical Media — Media in printed form, including, but is not limited to, printed documents, printed imagery, and printed facsimile.

Remote Access — Any temporary access to the District's information system by a user (or an information system) communicating temporarily through an external, non-District controlled network (e.g., the Internet).

Compliance with the Fair Labor Standards Act

Job Classifications

The Superintendent will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Employment Termination and Suspensions*.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Overview — <https://www.dol.gov/agencies/whd/flsa>.

For help determining whether time spent on work-related activities is compensable as “hours worked,” see the U.S. Dept. of Labor’s [FLSA Hours Worked Advisor](#).

Volunteers — https://www.dol.gov/sites/dolgov/files/WHd/legacy/files/FOH_Ch10.pdf.

Compensable Time Defined for Non-Exempt Employees

The amount of pay due an employee cannot be determined without knowing the total number of hours actually worked by that employee in each workweek. An employee must be paid for all of the time considered to be hours worked, and all time that is *hours worked* must be counted when determining overtime.

Non-Exempt Employee - The term *non-exempt employee* refers to employees who are not exempt from the overtime provisions in the wage and hour laws. See administrative procedure 5:35-AP1, *Fair Labor Standards Act Exemptions*.

Hours Worked - Non-exempt employees must be compensated for all hours worked in a workweek. In general, hours worked include:

- All the time an employee must be on duty;
- All the time an employee must be on the employer’s premises;
- All the time an employee must be at any other prescribed place of work; and
- Any additional time the employee is allowed, i.e., “suffered or permitted” to work (commonly referred to as “working off the clock”).

Suffered or Permitted to Work - If an employer knows or has reason to know that a non-exempt employee starts work early or continues to work late, it is considered work time. 29 C.F.R. §785.11.

This includes knowing or having reason to know that an employee works at home, e.g., as when a Building Principal’s secretary calls for substitutes early in the morning. 29 C.F.R. §785.12.

If an employee works additional straight time, at the regular rate of pay, or overtime hours without authorization, that employee must still be compensated but may be disciplined for violating School Board policy.

Volunteering to Perform Regular Work - Non-exempt employees may not volunteer to perform their regular work duties off-the-clock and without compensation. 29 U.S.C. §203(e)(4)(A). An employee must be paid even if he or she offers to do the work on his or her *own time*. Employees may not waive wage and hour law requirements.

Volunteering to Perform Services that Are Not the Same as Regular Work - Non-exempt employees may volunteer to perform services under these conditions:

1. The volunteer services are not the same as or similar to the employee’s regular work duties,

2. The employee offers the services freely and without coercion, direct or implied, and
3. The employee provides the services without promise of compensation although a volunteer may be paid "expenses, reasonable benefits, or a nominal fee to perform such services." 29 U.S.C. §203(e)(4)(A), 29 C.F.R. §553.101 and 103.

A fee is not nominal if it is a substitute for compensation or tied to productivity. 29 C.F.R. §553.106(e). While the specific circumstances in each case must be analyzed, the District will generally limit nominal pay to employees for volunteer services to no more than 20% of what the District would otherwise pay to hire an employee for the same services. See *Wage and Hour Division (WHD) Opinion Letters* FLSA 2005-51 (11-10-05); FLSA 2006-28 (8-7-06); and FLSA 2006-28 (10-7-06). See also *WHD Opinion Letters* FLSA 2004-6 (7-14-04) for an example of a non-exempt school employee serving as a volunteer athletic coach. U.S. Dept. of Labor WHD opinion letters are available at: <http://www.dol.gov/agencies/whd/opinion-letters/request/existing-guidance>.

Examples of Hours Worked for Non-Exempt Employees

Meal periods, unless the employee is completely relieved of all duties and free to leave the duty post for at least 30 minutes. Teacher aides who must supervise students during their lunch are not considered relieved of duties. Employees who eat at their desk and answer phones or otherwise perform work are not considered relieved of duties.

Attendance at in-services, meetings, or lectures, unless: (1) attendance is outside the employee's regular working hours, (2) attendance is voluntary, (3) the activity is not related to the employee's job, and (4) the employee performs no productive work for the District.

Coffee breaks or rest periods of 20 minutes or less.

Work done at home if the supervisor knows or should have known that such work was done.

Work done before or after regular hours or on weekends.

On-call time if the employee is required to remain on the employer's premises or so close that he/she is unable to use the time effectively for his/her own purposes while on-call.

Transporting material to a worksite before the start of the workday.

Time spent preparing for work, e.g., bus drivers doing safety checks before the route or securing the bus after the route.

Clean-up work at the end of a shift.

Travel time during the workday from one job site to another, e.g., non-exempt school nurses traveling from one school to another.

Travel time during the regular working hours, even if it is the weekend.

Attending a Board meeting at night either to take minutes or perform some other required or assigned duty.

Administrative Procedure - Fair Labor Standards Act 12-Step Compliance Checklist

Important - School officials should contact the Board Attorney for application of the Fair Labor Standards Act (FLSA) to specific situations. The information contained in this procedure, and any information provided in the hyperlinks contained in it, should be confirmed with the Board Attorney before its application to a specific situation.

The U.S. Dept. of Labor, Wage and Hour Division, administers the FLSA. It posts an encyclopedic amount of information on the FLSA on its website at: www.dol.gov/whd/regs/compliance/hrg.htm#8.

Checklist for compliance with the FLSA:

1. Classify employees as exempt or non-exempt.
Identify which employees are covered by the overtime requirements of the FLSA, i.e., *non-exempt*, and which employees are exempt from the overtime requirements. See administrative procedure 5:35-AP1, *Fair Labor Standards Act Exemptions*, for a list of school employees traditionally exempt and non-exempt. Include a record in each employee's file stating whether he or she is exempt or non-exempt.
An exemption from the FLSA overtime pay/compensatory time requirements is the exception, rather than the rule. Any uncertainty should be resolved in favor of finding the employee to be non-exempt and the overtime compensable, as the burden is on the school system to prove that exemptions are applicable.
2. Make sure all employees have access to and understand the School Board policy and administrative procedures on the workweek, overtime, and compensatory time. See Board policy 5:35, *Compliance with the Fair Labor Standards Act*, and administrative procedure 5:35-AP3, *Compensable Work Time for Non-Exempt Employees Under the FLSA*.
In addition, make sure that all employees:
 - a. Are provided a copy of the Board policy or access to the Board policy published online;
 - b. Acknowledge that they have received and understand the policy; and
 - c. Agree to follow the policy and procedures or be subject to discipline.
3. Notify non-exempt employees of their expected work hours in a workweek.
Be clear that the salary of non-exempt employees is paid for a 40-hour workweek. Supervisors may regularly schedule employees to work 37.5 hours per week and leave the remainder as possible flexible time. However, to avoid the possibility of *straight-time* claims for hours worked between 37.5 and 40, supervisors need to clearly communicate that the District pays employees a salary for up to 40 hours of work and that the District retains the right to request that the employee perform additional duties up to 40 hours without additional pay.
4. Keep precise records of the hours worked by every non-exempt employee by using a good timesheet, time clock, computerized check-in system, or other method. Make sure individual employees keep and sign their weekly record of hours worked. Print an acknowledgment similar to the following on every time sheet: "I acknowledge that I have reviewed this time sheet and that it accurately records all of the time that I worked for the District on the dates indicated and that I did not work for the District at any other times during the workweek that are not recorded on this timesheet."
5. Annually train District supervisory staff, as well as supervisors when first assigned supervisory duties, on FLSA compliance issues, including:

- a. What counts as compensable work time (see administrative procedure 5:35-AP3, *Compensable Work Time for Non-Exempt Employees Under the FLSA*);
 - b. How timesheets must be completed for non-exempt employees; and
 - c. Their duty to monitor timesheets and verify time worked.
6. Train all non-exempt staff when hired and regularly thereafter on the following topics:
 - a. Board policy requirements;
 - b. What counts as compensable time; and
 - c. How to complete timesheets correctly.
7. Require non-exempt employees who want to volunteer to execute a Volunteer Agreement. See exhibit 5:35-E, *Volunteer Agreement Executed by a Non-Exempt Employee*.
Non-exempt employees may only volunteer to perform services on behalf of the school that do not involve the same types of duties they regularly perform in their jobs. Further, in order to be a bona fide volunteer (1) the volunteer services may not be the same as or similar to the employee's regular work duties, (2) the employee must freely and voluntarily, i.e., without any direct or implied coercion or requirement, agree to perform the volunteer services, and (3) the employee provides the services without promise of compensation; however, a volunteer may be paid expenses, reasonable benefits, or a nominal fee to perform the services. See administrative procedure 5:35-AP3, *Compensable Work Time for Non-Exempt Employees Under the FLSA*, for information about *nominal fees*.
8. Have all non-exempt employees sign the following documents:
 - a. A statement that they were given a copy of the Board's policy on work time and have reviewed it, and that they understand violators may be subject to discipline; and
 - b. If applicable, an agreement that any overtime worked over 40 hours per week will be compensated with time and a half compensatory time rather than overtime pay. See exhibit 5:310-E, *Agreement to Receive Compensatory Time-Off*.
9. Have supervisory, payroll, and business staffs monitor weekly time records.
Make sure that supervisory staff continuously monitors weekly time records for accuracy and completeness, and that they report all overtime worked by non-exempt staff to the finance office for either overtime pay or compensatory time credit.
10. Keep FLSA-required records for non-exempt and exempt employees. See administrative procedure 5:35-AP2, *Employee Records Required by the Fair Labor Standards Act*.
11. Post all federal and State required employment posters.
Make sure that all employment posters are widely posted, e.g., in the teachers' lounge, school office, cafeteria kitchen, bus garage, janitor's closet, and other places where employees gather.
12. Consult the Board Attorney about FLSA compliance.

Administrative Procedure - Communicable and Chronic Infectious Disease

The following procedures will be implemented when a District employee has a communicable and/or chronic infectious disease. A copy of the procedures will be given to the employee.

The District shall not discriminate against an employee disabled by a communicable or chronic infectious disease. An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions.

Evaluation of the Employee's Condition

1. The employee who has or is suspected of having a communicable and chronic infectious disease is encouraged to inform the Superintendent immediately.
2. Upon having knowledge of a known or suspected case of a communicable disease, the Superintendent or designee:

3. The Superintendent will inform the Communicable and Chronic Infectious Disease Review Team within three days.
4. The Communicable and Chronic Infectious Disease Review Team will meet within three days to:
 - a. Meet with the employee or a member of the employee's family to review the status of the employee's health, and
 - b. Evaluate the employee and submit a written report with recommendations to the Superintendent.
5. The School Board will receive a report, both written and verbal, of the Communicable and Chronic Infectious Disease Review Team's evaluation from the Superintendent.
6. The employee or a member of the employee's family will receive a report, both written and verbal, of the Communicable and Chronic Infectious Disease Review Team's evaluation from the Superintendent.
7. The employee may be required to submit to a physical examination, given by a physician chosen and paid for by the District.

Monitoring the Employee's Condition

The employee's health condition will be reviewed on a schedule determined by the Communicable and Chronic Infectious Disease Review Team. The Team's employee status report will be given to the Superintendent.

Each status report will indicate an employment recommendation for the employee, such as:

1. Continued employment at the same position, with possible accommodations,
2. Continued employment but transfer to another position, with possible accommodations,
3. Temporary exclusion from the work place, or
4. Dismissal.

Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being *on call* for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy, a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. School grounds means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in policy 2:240, *Board Policy Development*.

Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The District is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the District's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Fees for the first checked bag will be reimbursed. Copies of airline tickets and baggage receipts must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, ride sharing services, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Additional Requirements for Travel Expenses Charged to Federal and State Grants

All grant-related travel expenses must be pre-approved by the Superintendent or designee.

Expenses for travel, including expenses for transportation, lodging, meals, and related items incurred by employees and charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act (30 ILCS 708/) must also meet the following requirements:

1. The participation of the employee is necessary to the award, and the costs are specifically related to the award.
2. Expenses must be permissible under the terms and conditions of the award.

3. Expenses must be reasonable and consistent with this policy.
4. The Board does not reimburse actual expenses or pay a per diem allowance unless the employee is on official *travel status* for more than 12 hours. However, employees remain eligible for mileage reimbursement (minus regular commuting mileage/costs) and other transportation expenses if on travel status less than 12 hours.
5. Expenses may be charged based on an actual cost basis or on a per diem basis in lieu of actual costs incurred; however, only one method may be applied per trip.
6. Commercial airfare costs in excess of the least expensive coach or economy class are prohibited except when such accommodations would: (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Qualifying circumstances must be explained on the expense form, and Board approval of the additional expense is required.
7. Per diem rates and actual reimbursement amounts for mileage, meals, and lodging may not exceed the rates established by the Governor's Travel Control Board or federal travel regulations, whichever is less. These limits do not apply when: (1) an employee stays in the lowest-priced room available at or near a hotel where a conference or seminar is located or in accommodations arranged by the conference/seminar organization, or (2) lodging at or below the established rate is unavailable. In those cases, the employee will be reimbursed for actual lodging expenses with prior approval, but in no case will the reimbursement exceed 300% of the applicable maximum per diem rate. If a conference fee includes a meal, the meal or per diem allowance will be reduced by the actual value of the meal or the applicable meal allowance, whichever is less.
8. Employees must use the least expensive compact car available when using a rental car for travel, unless an exception is approved. The Board does not reimburse employees for collision damage waiver or theft insurance.
9. The Board will reimburse travel expenses not chargeable to an award from other District funds consistent with this policy.

Administrative Procedure - Federal and State Grant Travel Expense Procedures

Employees must follow these procedures, in addition to the requirements of the Board policy 5:60, *Expenses* subhead entitled **Additional Requirements for Travel Expenses Charged to Federal and State Grants**, when their travel expenses are charged to federal grants and State grants governed by the Grant Accountability and Transparency Act (GATA).

Use of Expense Forms

Employees will submit their estimated travel expenses using 5:60-E2, *Employee Estimated Expense Approval Form*, in advance of travel and 5:60-E1, *Employee Expense Reimbursement Form*, following completion of travel. When travel expenses will be charged in part to grant funds and in part to non-grant District funds because certain expenses exceed those permitted to be charged to a grant by policy 5:60, *Expenses*, and/or these procedures, the Superintendent or designee notes that fact and the amount to be charged to each funding source in the "Comments" field on 5:60-E1, *Employee Expense Reimbursement Form*, and/or the "Comments" field on 5:60-E2, *Employee Estimated Expense Approval Form*, as applicable.

Lodging – General

1. Employees are not eligible for actual reimbursement of lodging expenses unless they are on official *travel status* for more than 12 hours. Travel status begins when the employee leaves his or her work location or, if reporting directly to a destination, from his or her residence or other location. It ends when the employee returns to his or her work location or, if reporting directly from the original destination, to the employee's residence or other location at the completion of the authorized travel. See 80 Ill.Admin.Code §3000.140.
2. Employees must first contact any preferred hotel vendors of the District.
3. It is the employee's responsibility to request the lowest available lodging rate the time of making a reservation. However, if the employee requires special lodging consideration due to a disability the employee may be reimbursed the actual cost of the least costly lodging that is substantially accessible. Employees should always inquire if a hotel offers a discounted rate for local government employees, including public school district employees. If applicable, employees should be prepared to show their school identification to prove school district employment when checking-in.
4. Employees should make hotel reservations as far in advance as possible. Employees need to be aware of hotel cancellation policies. In busier times, cancellation policies will sometimes require the traveler to cancel 72 hours in advance or be charged for the room. If an employee must cancel a reservation, the employee needs to cancel before the deadline, if at all possible. Employees making reservations for several nights in a row need to be aware of hotel early check-out policies. Some hotels charge an early check-out fee if a guest checks out prior to their scheduled departure date.
5. Employees must carefully review the bill upon check-out to ensure that the room charge reflects the appropriate rate and that no unauthorized charges have been added. For example, some hotels will automatically add a security charge or phone usage charge to a bill. If these services are not used, the charges should be removed before checking-out. Energy surcharge and lodging resort fees will be reimbursed if not optional.
6. If direct billing, employees must ensure that all personal or incidental charges are paid when checking-out, i.e., pay movies, personal phone calls, etc.

7. Employees must obtain a copy of the hotel bill to attach to 5:60-E1, *Employee Expense Reimbursement Form*.
8. If traveling by car, an employee needs to inquire regarding self-parking options to minimize parking expenses.

Lodging – Excessive Lodging Requests

When lodging at or below the State or federal rate for a particular location is unavailable, employees must:

1. Document on 5:60-E2, *Employee Estimated Expense Approval Form*, that lodging at the scheduled rate for the location is unavailable.
2. Attach documentation to 5:60-E2, *Employee Estimated Expense Approval Form*, showing that a minimum of three budget to mid-fare hotels were contacted (where available). If there are less than three hotels available in a location to contact, the employee must document that fact on the form. The employee must inquire if the hotels will honor the government rate when obtaining quotes. If the District has any preferred hotels at the location, the employee must contact those hotels first.
3. Submit all excessive lodging requests to the Superintendent or designee for pre-approval. The Superintendent or designee will place a note in the “Comments” field on 5:60-E2, *Employee Estimated Expense Approval Form*, to reflect approval of an excessive lodging amount.

Note: An excessive lodging request is not required if an employee stays in accommodations arranged by a conference/seminar organization or in the lowest-priced room available at or near a hotel where a conference or seminar is located.

Meals

Per diem rates and actual reimbursement amounts for meals may not exceed the rates established by the Governor’s Travel Control Board or federal travel regulations, whichever is less. To determine the lesser amount, compare the State rates with the federal per diem rates. Historically, the State meal allowances have been lower than the federal meal allowances. State rates are available at: <https://cms.illinois.gov/employees/travel/travelreimbursement.html>. Federal rates are available at: www.gsa.gov/travel/plan-book/per-diem-rates.

Airfare

When booking airfare, employees:

1. May not book airfare and lodging as a package through third party vendors. When booked as a package, third party vendors do not provide a detailed receipt which causes an issue verifying that the lodging rates are within the proper guidelines.
2. Should always know the restrictions and potential penalties applicable to the fare in case cancellation or change is necessary, regardless of how an airline ticket is booked.

Ride Sharing Services

When using a ride sharing service such as Uber and Lyft, employees must use the lowest cost service the ride sharing service offers such as “UberX” and “Lyft Standard.” Employees will not be reimbursed for premium services offered by ride share companies such as “Uber XL,” “UberSELECT,” “UberBLACK,” “UberSUV,” “UberLUX,” or “LyftPlus.” Employees need to be aware that ride sharing services may charge users more during times of high demand. Ride sharing services typically let riders know in advance when prime time or surge pricing is in effect. Rides obtained during these higher cost periods are not reimbursable.

Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY). Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement. *Negligent failure to report* occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at <https://report.cybertip.org> or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with Board policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the District, the Superintendent shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Superintendent shall develop procedures for notifying a student's parents/guardians when a District employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Superintendent shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Superintendent shall execute the recordkeeping requirements of *Faith's Law*.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in Board policy 2:20, *Powers and Duties of the School Board; Indemnification*.

Administrative Procedure - Parent/Guardian Notification of Sexual Misconduct

When a District employee, contractor, or agent is alleged to have engaged in *sexual misconduct* as defined in 105 ILCS 5/22-85.5(c) with a student, the District must first provide notice to the student and then provide written notice to the student's parents/guardians.

Following the District's investigation of the alleged sexual misconduct, additional notice must be provided when the Board takes any action relating to the employment of the alleged perpetrator, including whether employment was terminated or whether the Board accepted the employee's resignation. Notice of formal Board action must first be provided to the student and then written notice must be provided to the student's parents/guardians.

The only time student notification is not required before parental notification is when a District employee or agent deems it necessary to address an imminent risk of serious physical injury or death of a student or another person, including the victim. If notification is not given to the student first, then it must be given as soon as practicable and without delay following parental notification.

These parent/guardian notification procedures do not apply if the student's parent/guardian is the alleged perpetrator of sexual misconduct, and/or if the student is at least 18 years of age or emancipated.

Sexual misconduct - Any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include but are not limited to: 1) a sexual or romantic invitation, 2) dating or soliciting a date, 3) engaging in sexualized or romantic dialog, 4) making sexually suggestive comments that are directed toward or with a student, 5) self-disclosure or physical exposure of a sexual, romantic, or erotic nature, 6) a sexual, indecent, romantic, or erotic contact with the student. 105 ILCS 5/22-85.5(c), added by P.A. 102-676.

Administrative Procedure - Staff Development Program

The following procedure implements policy 5:100, *Staff Development Program*. It sets professional growth requirements. 105 ILCS 5/24-5. Failure to meet professional growth requirements is considered remediable. *Morris v. Ill. State Bd. of Educ.*, 198 Ill.App.3d 51 (3rd Dist. 1990).

This procedure is consistent with the minimum requirements of State law. If the District has a local collective bargaining agreement, it may contain provisions that differ from this procedure. When the procedure's subject matter is superseded by a bargaining agreement, insert the following: "Please refer to the current [*insert name of any applicable CBA*]."

Implementation of Staff Development Program

All District-sponsored staff development programs, including in-services, shall be approved by the Superintendent. Staff development opportunities exist through the following:

A. Planned in-service programs, courses, seminars, and workshops are offered within the District.

Every staff member is encouraged to suggest topics, formats, and speakers for in-service meetings. Suggestions should be given to the Superintendent or any member of the advisory committee, if one exists.

B. Visits to other classrooms and schools, as well as attendance at conferences, workshops, and other meetings may be requested.

With the Superintendent's approval, staff members may be released with full pay to:

- Attend professional conventions and meetings, visit exemplary programs, as well as participate in other professional growth activities. At the time of approval, the Superintendent will indicate which expenses, if any, will be reimbursed by the District. After participation, a written report must be submitted to the Superintendent summarizing the activity's highlights.
- Serve as speakers, consultants, or resource persons outside the District. The staff member accepting such assignments may not accept any fee or honorarium other than a reasonable fee for preparation done outside of the working day. The employee or the institution receiving the services is responsible for travel, lodging, meal expenses, and for substitute costs if any are incurred.
- Attend training and staff development programs sponsored by an Educational Service Center (105 ILCS 5/2-3.62), the Illinois State Board of Education, a Regional Office of Education, the Illinois Association of School Boards, or any other professionally-sponsored education program. At the time of approval, the Superintendent will indicate which expenses, if any, will be reimbursed by the District. After participation, a written report must be submitted to the Superintendent summarizing the activity's highlights.

C. Leaves of absence for advanced training and internships are governed by School Board policy and/or collective bargaining agreements, if any.

D. The topics to be covered on days declared as Teacher Institutes (TI) must be approved by the Regional Offices of Education (ROE) or Intermediate Service Centers (ISC), whichever is applicable, governing the schools of that region. The request for approval should be submitted to

the Regional Superintendent (for ROEs) or Chief Administrative Officer (for ISCs) at least 30 days prior to the event.

- E. Many opportunities for on-going professional development opportunities exist. Staff members are encouraged to discuss their plans for identifying and optimizing these opportunities with their supervisors.
- F. For nutrition directors and school nutrition professionals, the annual training standards for school nutrition professionals. 7 C.F.R. Parts 210 and 235.

Employee Ethics; Code of Professional Conduct; and Conflict of Interest

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and Board policies 2:265, *Title IX Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.

5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
- a. Violates expectations and guidelines for employee-student boundaries.
 - b. Sexually harasses a student.
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
 - d. Engages in grooming as defined in 720 ILCS 5/11-25.
 - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when

an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee's immediate family;
2. An employee's partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

School Counselor Gift Ban

School counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For school counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the school counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the school counselor believes that it was provided due to the official position or employment of the school counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the school counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the school counselor, including any previous exchange of gifts between those individuals.
 - b. Whether, to the actual knowledge of the school counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
 - c. Whether, to the actual knowledge of the school counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.
8. Travel, lodging, food, and beverage costs incurred by the school counselor and paid by an institution of higher education for attendance by the school counselor of an educational or military program at the institution of higher education.

A school counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

Administrative Procedure - Employee Conduct Standards

Professional and appropriate conduct is expected of all District employees. The standards listed below serve as a notice of expected conduct. The standards are intended to protect the health, safety, and general welfare of students and employees, ensure the community a degree of accountability within the School District, and define misconduct justifying disciplinary action, up to and including dismissal. The listed standards are not a complete list of expectations, and depending on the factual context, an employee may be disciplined for conduct that is not specifically listed. The conduct standards apply to all District employees to the extent they do not conflict with an applicable collective bargaining agreement; in the event of a conflict, the provision is severable and the applicable bargaining agreement will control. In addition, all employees who are governed by the *Code of Ethics for Illinois Educators* must comply with 5:120-E, *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE) (23 Ill.Admin.Code Part 22).

All school employees shall:

1. Exhibit positive examples of preparedness, punctuality, attendance, self-control, language, and appearance.
2. Exemplify honesty and integrity. Violations of this standard include, but are not limited to, falsifying, misrepresenting, omitting, or erroneously reporting the professional qualifications of oneself or another individual or information submitted in connection with job duties or during the course of an official inquiry/investigation.
3. Maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries, both in and outside the school. Attend all in-service trainings on educator ethics and responding to child sexual abuse and grooming behavior including, but not limited to, teacher-student conduct, school employee-student conduct, and evidence-informed training on preventing, recognizing, reporting, and responding to child sexual abuse and grooming as outlined in 105 ILCS 5/10-23.13 (*Erin's Law*) for all personnel (105 ILCS 5/10-22.39(b-35), added by P.A. 103-542, eff. 1-1-23 and operative 7-1-24), as well as all required trainings on child abuse, grooming behaviors, and employee-student boundary violations (325 ILCS 5/4(j) and 5/10-23.13 (*Erin's Law*)). Violations of this standard include, but are not limited to: (a) committing any act of child abuse or cruelty to children; (b) willfully or negligently failing to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act (325 ILCS 5/); (c) engaging in harassing behavior, including but not limited to sexually harassing a student (775 ILCS 5/5A-102, amended by P.A. 103-472, eff. 8-1-24); (d) willfully or negligently failing to report an instance of suspected sexual harassment as required by Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), (e) providing a recommendation of employment for an employee, contractor, or agent that the employee knows, or has probable cause to believe, has engaged in sexual misconduct with a student or minor in violation of the law, as prohibited by the Elementary and Secondary Education Act (20 U.S.C. § 7926), (f) engaging in *grooming* as defined in 720 ILCS 5/11-25; (g) engaging in prohibited grooming behaviors, including *sexual misconduct* as defined in 105 ILCS 5/22-85.5(c) (*Faith's Law*) and Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; (h) furnishing tobacco, alcohol, cannabis, or any other illegal/unauthorized substance, including e-cigarettes, to any student or allowing a student under his or her supervision to use tobacco, alcohol, cannabis (including medical cannabis unless the student is authorized to be administered a medical cannabis infused

product by the school employee pursuant to *Ashley's Law*); and (i) violating expectations and guidelines for employee-student boundaries set forth in 5:120-AP2, E, *Expectations and Guidelines for Employee-Student Boundaries*.

4. Maintain a safe and healthy environment, free from being impaired by and/or under the influence of prohibited substances to ensure high quality performance for the District and its students. The use of illegal drugs and/or abuse and misuse of alcohol, drugs, and other lawful products while on District premises or while performing work for the District diminishes the District's credibility and ability to educate students about drug and substance abuse prevention pursuant to Board policy 6:60, *Curriculum Content*. Violations of this standard include, but are not limited to, engaging in any of the prohibited activities listed in the District's drug- and alcohol-free workplace policy. Examples include using or being impaired by or under the influence of illegal drugs; abusing, misusing, and/or being impaired by or under the influence of alcohol, drugs, and/or other lawful products when performing work for the District when impairment is detectable regardless of when and/or where the use occurred; and/or using or being impaired or under the influence of or possessing medical cannabis in a school bus or on school grounds.
5. Maintain a safe and healthy environment, free from harassment, intimidation, bullying, hazing, and violence, and free from bias and discrimination. Violations of this standard include, but are not limited to: (a) unless specifically permitted by the Firearm Concealed Carry Act, carrying a firearm on or into any District controlled building, real property, or parking area, or any transportation vehicle paid for in whole or in part with public funds; (b) willfully or negligently failing to immediately report suspected cases of child abuse or neglect or of gender harassment; (c) knowingly failing to report hazing to supervising educational authorities or, in the event of death or great bodily harm, to law enforcement; and (d) failing to appropriately respond to a witnessed or reported incident of student-on-student bullying, harassment, hazing, or teen dating violence.
6. Comply with the Code of Ethics For Test Administration, prepared and published by ISBE for educators who administer any standardized test (at www.isbe.net/Documents/AssessmentCodeofEthics-2021-22.pdf), and with any assessment-specific administration guidance (see www.isbe.net/Pages/Assessment.aspx).
7. Honor the public trust when entrusted with public funds and property by acting with a high level of honesty, accuracy, and responsibility. Exhibit – Expectations and Guidelines for Employee-Student Boundaries

105 ILCS 5/10-23.13, Erin's Law, requires this exhibit's discussion. Use this exhibit to structure local conversations around what the District will include for its examples of expectations and guidelines about professional boundaries in employee-student relationships. Finalization of this exhibit requires a conversation among district administrators and employees to customize it based upon the ages, grade levels, and developmental levels of the students served, as well as local conditions.

All District employees must maintain professional employee-student boundaries and relationships with students. This includes meeting expectations and following guidelines established by the District for employee-student boundaries. These expectations and guidelines apply to all professional, educational support, and contracted District employees. If they conflict with an applicable collective bargaining agreement, the provision is severable and the applicable bargaining agreement will control.

The District understands that employees may have pre-existing relationships with families of students outside of school. These expectations and guidelines do not apply to employee-student relationships based in pre-existing relationships, including nuclear or extended families. These expectations and guidelines are not intended to prohibit such interactions, provided that an awareness of employee-student boundaries is maintained at all times. This document is not exhaustive, and an employee may be disciplined for boundary violations that are not specifically listed.

Employee-Student Boundaries

The relationship between students and school employees is an inherently unequal imbalance of power because school employees are in a unique position of trust, care, authority, and influence in relation to students. District employees breach employee-student boundaries when they misuse their position of power over a student in a way that compromises the student's health, safety, or general welfare. Employee-student boundaries are categorized into four areas that are not mutually exclusive:

- **Emotional Boundaries** – both the employee's own emotional state and self-regulation as well as students' emotional states and developmental abilities to self-regulate.
- **Relationship/Power Boundaries** – recognizing, as noted above, that the employee-student relationship is unequal and employees must safeguard against misusing positions of power.
- **Communication Boundaries** – how and what employees communicate to students, including communication that is verbal, nonverbal, in person, or via electronic means.
- **Physical Boundaries** – physical contact between employees and students.

While some employee-student boundaries are clear and easy to recognize, there are some unclear, grey areas that employees must plan for and respond to with sound judgment. This means recognizing the potential negative consequences for students and/or employees engaging in certain behaviors with students or allowing inappropriate conduct to continue. Employees may use *time, place, and circumstances* as a guiding principle by asking themselves:

- Is this the appropriate *time* for my planned action?
- Have I chosen the appropriate *place* for the planned action?
- Are these appropriate *circumstances* for me to take my planned action?

To avoid behavior or conduct which may lead to a breach in employee-student boundaries, employees should also recognize their own unique vulnerabilities. Examples of vulnerabilities that employees may experience include, but are not limited to:

- Employees regarding students as peers
- Employees who too closely identify with students and their issues
- Employees experiencing adult relationship issues
- Immature employees, or employees with an under-developed moral compass
- Employees feeling a need for attention
- Employees who abuse alcohol or other substances
- Employees who lack personal crisis management skills

Employees experiencing difficulties in their personal lives may be particularly susceptible to engaging in at-risk behavior or conduct with students. Employees must be alert to such risks and ensure they maintain professional boundaries at all times. The Markkula Center for Applied Ethics' Framework for Ethical Decision-Making may help employees evaluate and address conduct that concerns them. See www.scu.edu/ethics/ethics-resources/ethical-decision-making/.
